INFORMATION COLLECTION

- **Information You Provide to Us**

Global ProtecTour collects information from you when you choose to provide it to us. This may include when you create an account with us, use our Site, sign up for newsletters or alerts, request information from us, submit a rating or review, or otherwise contact us.

The information we collect may include your name, email address, telephone number, geolocation information, emergency contact information, photos or videos, access code or other unique identifier, and information you post in public areas on the Site such as discussion boards or comments. You may be required to provide certain personal information to create your TATE Global account. If you use a third party login to create your account or otherwise link to us, we may receive certain information about you from the third party (such as a social network) based on your registration and privacy settings on those third party services.

- **Information We Automatically Collect**

We may use mobile operating system identifiers, cookies, web beacons, pixel tags, log files, or other technologies to automatically collect certain information when you use our Site or interact with our emails and online or mobile communications. For example, we may automatically collect certain non-personal information from you such as your mobile device type, browser type, operating system, software version, or Internet Protocol (“IP”) address. We also may collect information about your use of the Site including the date and time you access the Site, the areas or pages of the Site that you visit, the amount of time you spend using the Site, the number of times you return, whether you open forward or click-through emails and other communications, and other usage data.

Online / App Tracking. You may adjust your operating system settings to limit certain tracking, adjust your privacy settings, or to decline cookies, but by doing so, you may not be able to use certain features on the App or take full advantage of all of our offerings. Check the “Help” menu of your browser or operating system to learn how to adjust your tracking settings or cookie preferences. We do not track you over time and across third party apps or websites. Note that our systems may not recognize Do Not Track headers from some or all browsers.

- **Information Collected From Other Sources**

We may obtain information about you from other sources, including from your organization / institution, and social networks that you use to connect with TATE Global. This information may include name, user name, demographic information, updated address or contact information (for you and your emergency contacts), interests, and publicly-observed data, such as from social media and online activity.

- **Combination of Information**

We may combine the information we receive from and about you, including personal and non-personal information, information you provide, information automatically collected through our Sites and offline, as well as information collected from third party sources.
